CERTIFICATE IN AUXILIARY NURSING SCIENCE

Symanek
Training Academy

Information Brochure

PURPOSE OF THE CERTIFICATE IN AUXILIARY NURSING SCIENCE

- The Certificate in Auxiliary Nursing Science serves to provide learners with the basic knowledge, affective, cognitive and conceptual tools and practical techniques for additional higher education studies in nursing. The knowledge emphasizes general principles and their application in the provision of basic nursing care.
- The main objective of this program is to build a bridge for students who do not qualify to be admitted into the enrolled nursing program to gain an entry pathway through this one-year foundational program

DURATION AND MODE OF STUDY

One (1) year, full time

WHO SHOULD APPLY FOR THIS PROGRAM?

Anyone who meets the minimum admission requirements stipulated below, male or female and who wishes to further their studies in Enrolled Nursing and Midwifery Science with Symanek Training Academy.
